

Soletan M-66X Full-Suspension Moped Style E-Bike

48V 20Ah Samsung Battery, 300lbs Capacity, 20mph Top Speed, UL Certified, 105 Miles Range (PAS 1), Full Suspension, LCD Display, Mechanical Disc Brakes

Addmotor 48V 750W Brushless Rear Hub Motor

The powerful motor delivers impressive torque and smooth acceleration, this pedal assist electric bike makes every ride effortless with electric assistance in either PAS or throttle mode.

Full-Suspension System

The 80mm front suspension fork absorbs shocks and bumps, providing a smoother ride over rough terrain. Paired with rear shock absorbers, the full suspension e-bike enhances stability and comfort.

Step Through Design

The step-through frame offers easy access and a comfortable riding experience, making the fat tire electric bike ideal for all riders. Combined with a wooden footrest, it adds a touch of style and provides a stable place to rest your feet.

Ride in Comfort

Inspired by the classic 1970s design, the banana seat provides superior comfort with its elongated, curved shape that distributes weight evenly. Spacious enough for two riders, the adults electric bike offers excellent support and reduces pressure on long rides.
