

Over a year in the making, the Bintelli Quest is now available! The Quest is Bintelli's fastest performance bike in our electric bicycles family! It's easy to see why the Quest is already such a head turner. With it's powerful 750 watt motor, LCD display, lightweight aluminum alloy frame, full front and rear suspension, and upgraded components from tire to tire, it's loaded with everything you are looking for in your next electric mountain bike! The all-new Bintelli Quest is available in Black/Orange and Black/Green color schemes. With one ride on the Bintelli Quest, you will be hooked!
